

EMD Consulting keeps growing... welcome new consultants!

WE'RE PLEASED TO WELCOME NEW CONSULTANTS LIZ SCHAPPE AND FRANK THURMAN

Liz comes to EMD with more than 30 years of nonprofit advancement experience in the university and environmental sectors, most notably, guiding multi-billion-dollar campaigns for Washington University in St. Louis.

A veteran senior leader recently retired from Enterprise Mobility, Frank brings the unique perspective of a seasoned corporate executive paired with lengthy volunteer service to the nonprofit community.

“We’re proud to welcome Liz and Frank to the firm. Their deep experience and leadership will enhance our ability to help clients achieve their goals and elevate their impact,” said Kari McAvoy, Partner. “With the strength of our consultants and partners, EMD continues to be a trusted resource for nonprofits seeking strategic guidance and sustainable growth.”
